Capoforte FX 270

Sophisticated and Performing

Dedicated to owners with a sporty soul, the first born of the FX series is equipped with outboard motors and a hull capable of excellent performance in maximum safety, even when the sea shows its strength. A boat that combines the worlds of action and luxury, thanks to the refined combinations of accessories, materials and shapes that create a real entertainment place on the sea. FX 270 is deliberately conceived in “leisure” or “fishing” versions, thanks to the wide and flexible deck. The bow, equipped with a large compartment for fenders, sports and emergency equipment, is offered in a free configuration for maximum usability in the case of sport fishing, or with a large optional sofa, forming a large dinette. The wheelhouse is integrated into the main body of the windshield, under which lies a changing room with toilet, to complete the equipment of a boat dedicated to those looking for the sportiest and most elegant adventure companion.
